

THE HON'BLE SRI JUSTICE L.NARASIMHA REDDY

W.P.No.2904 2007

Date:15.02.2007

Between:

Association of Private Colleges of Nursing &
Nursing Schools, Khairatabad, Hyderabad.

.. PETITIONER

AND

The Government of A.P. & others.

..RESPONDENTS

ORDER:

The petitioner is the Association of Private Colleges of Nursing & Nursing Schools. It is stated that the members of the petitioner-association are entitled to be paid certain amounts in accordance with G.O.Ms.No.256 Health, Medical & Family Welfare (K2) Department, dated 20.08.2004, and it is complained that the amounts have not been paid so far.

Heard the learned counsel for the petitioner and the learned Government Pleader for Medical & Health.

Firstly, it becomes doubtful as to whether an association can make claims for the amounts, which are said to be due to individual members. Secondly, the petitioner has not stated the exact amounts that its members are entitled to be paid. Thirdly, neither the petitioner nor its members have made any representation or claim to the respondents before approaching this Court. Therefore, it becomes difficult to grant any positive relief at this stage. The petitioner or its individual members have to make respective claims before the authorities concerned. If their claims are not accepted, they can, certainly, approach this Court or work out the remedies in accordance with the procedure prescribed by

law.

The writ petition is accordingly disposed of, leaving it open to the petitioner or its individual members to submit their specific claims before the authorities concerned. There shall be no order as to costs.
